

# CAREER TECHNICAL CREDIT TRANSFER

---

Career-Technical Credit Transfer (CT<sup>2</sup>) is a collaborative effort among the Ohio Department of Higher Education (ODHE), the Ohio Department of Education's (ODE) Office of Career-Technical and Adult Education, public secondary/adult career-technical education institutions and state-supported institutions of higher education.

The CT<sup>2</sup> initiative ensures students at a secondary career-technical education institution or an adult career-technical institution can transfer successfully completed technical courses that adhere to recognized industry standards to any state institution of higher education without unnecessary duplication or institutional barriers. CT<sup>2</sup> complements the College Tech Prep program.
