

BASIC POLICE ACADEMY

Program description

This rigorous program is designed for individuals who wish to become peace officers in Ohio. In addition to the state-mandated 740-hour Peace Officer Basic Training curriculum, cadets participate in specialized training to enhance their professional background and provide greater career opportunities. Cadets who complete the Peace Officer Basic Training Academy earn 24 credits and meet the Police Academy requirement for the Criminal Justice-Basic Police Academy degree at Tri-C.

Other important information

Tri-C offers both full-time (40 training hours/week) and part-time (24 training hours/week) academies in the fall. Another full-time academy is offered each spring.

Full-time academies are held Monday through Friday from 8 a.m. – 5 p.m. with occasional weekends.

The part-time academy is held Monday through Thursday from 6 –10 p.m. and Saturdays from 8 a.m. – 5 p.m.

This program is a mix of credit and noncredit coursework.

A completed Police Academy application is required. See the Basic Police Academy webpage for details.
