<sup>1</sup> Students who transfer in credits for ENG-1020 without having credit for ENG-1010 will have ENG-1010 waived, but students must select another Ohio Transfer 36 approved course to fulfill the 3 credits. The replacement course may be selected from any approved Ohio Transfer 36 course.

<sup>3</sup> Highly recommend ENG-1020 College Composition II or ENG-102H Honors College Composition II and COMM-1010 Fundamentals of Speech Communication or COMM-101H Honors Speech Communication

<sup>2</sup> MATH-1100 Mathematical Explorations or MATH-1240 Contemporary Mathematics taken prior to Fall 2024 will be accepted to meet mathematics requirement for this program.

MATH-1140, MATH-1141, MATH-1200, MATH-1270, and MATH-1280 can no longer count towards fulfilling the college-level mathematics requirement. These courses were re-classified as developmental mathematics by the state of Ohio in 2016. Tri-C established a 5-year transitioning window for students who had completed these courses prior to 2016 to apply them towards meeting graduation requirements, which expired in Summer 2021. It is highly recommended to see a counselor to determine the appropriate math required for your current major.
